(DOP)
Declaration of Performance
Nr.421603

1. Product type:

   The nails with diameters 2.5 mm, 2.8 mm, 3.1 mm in the versions smooth shank nails, ring shank nails, screw shank nails agree with the product standard EN14592.

2. Type, batch or serial number for identification of the construction product referred to in Article 11, paragraph 4 of the BauPVO:

   The production date and batch number can be found in the product labeling.

3. Intended use of the construction in accordance with harmonized technical specification:

   For load-bearing wooden construction

4. Address of the manufacturer under Article 11, paragraph 5 of the BauPVO:

   PREBENA Wilfried Bornemann GmbH & Co.KG
   Seestraße 20 – 26
   63667 Schotten
   Germany

5. Authorised representative:

   PREBENA CE-Authorized Daniel Bach

6. System for assessment and verification of constancy of performance

   System 3

7. Notified testlaboratory:

   The notified body VHT Laboratory of Wood and Drywall - 1503 - has the initial assessment (ITT) of the Construction performed and confirmed by a certificate of conformity. The factory production control is in place and carried out according to the requirements of the product standard.

8. Wenn das Bauprodukt über eine europäische technische Bewertung geregelt ist:

   Not applicable
